## DEFINITIONS FOR Questions 45-58:

- **Precinct** means the geographic area to which voters are assigned.
- **Polling place** means the physical structure where residents of a precinct go to cast their votes on Election Day. A polling place includes any structure that houses one or more precincts.

**Note:** The answer to questions regarding poll workers should include the number of persons who served in all polling places in the State as poll workers, election judges, wardens, commissioners, or other similar term that refers to the person or persons who verify the identity of a voter; assist the voter with signing the register, affidavits or other documents required to cast a ballot; assist the voter by providing the voter with a ballot or setting up the voting machine for the voter; and serving other functions as dictated by state law. The answers to these questions should not include observers stationed at the polling place.
